Kalus, Old Pal, And Fellow Cohort, If I Had All The Brains And Command Sense You Have, I'd Have To Stick Em In My Feet. You're A Real Pal And Can Take Just Anything. It Doesn't Look Like I'm Going To Be Here Next Year, But I'd Sure Like To See You Keep Up The Good Work. In Your Senior Year, Why Apply For And Rote Scholarship Or Some Others? No Matter What Happens You And I Will Always Stick — With The Yanks.

Your Friend,
Dave Nixon

I Am Very Happy That I Got Through Another School Year With You And Hope I Was All Right Except For Your Absences. Have A Good Summer. See You Next Year

ANNUAL

CURTAIN TIME: *Presenting "ALL THE WORLD'S A STAGE" as seen in this year 1956-1957.*

FEATURING: *The year's memorable activities and a talented cast.*

PRESENTED BY: *La Jolla Junior-Senior High School.*

IN MEMORY OF CARL LINDBLAD
1895 - 1957

Carl Lindblad, a gardener at La Jolla for eighteen years, died on February 3, 1957.

Through his patience, conscientiousness, and love of the soil, he played a major part in making La Jolla a beautiful school; a school we are proud to attend.

We of the Annual Staff hope that everyone will join with us in expressing our appreciation for the contribution that he made and for the legacy that he left to us.

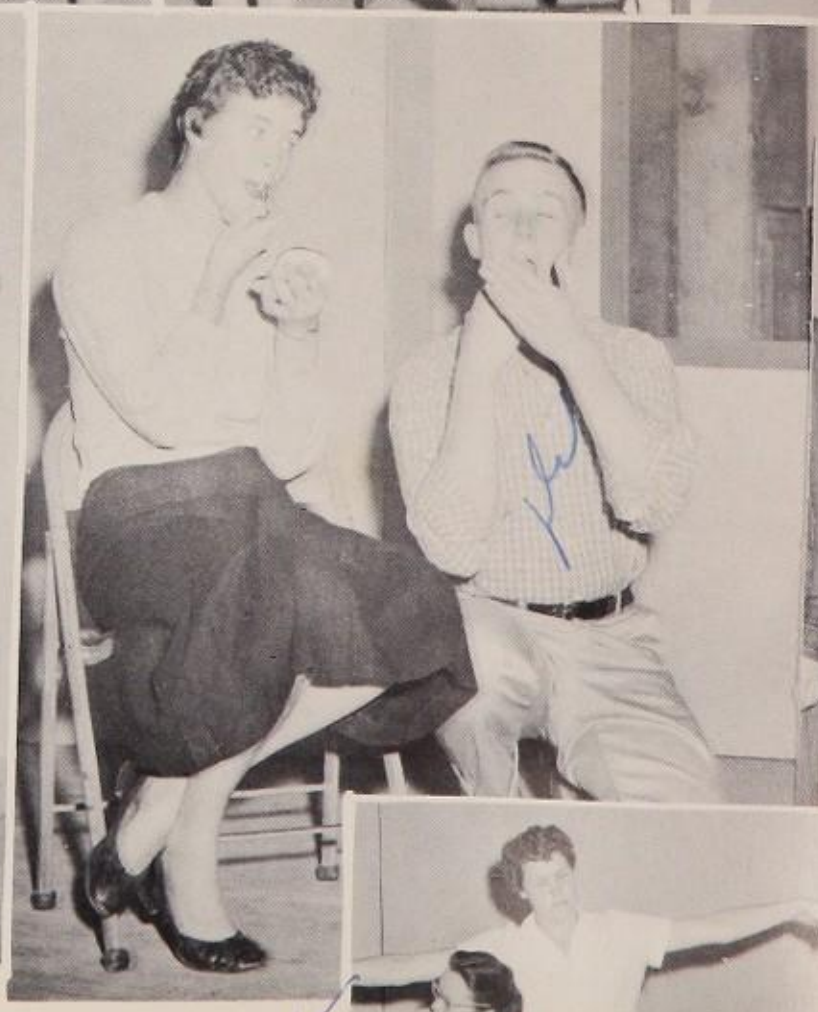
SENIOR PLAY



1957

Carlis,

Well, you've made it through another year of Latin, undamaged, I hope. I doubt if Miss Shade could stand another year so you better not take 3rd year!

I hope next year Mr. Weston doesn't teach 1st grade English and you don't have English after me, so I won't have to feel bad because I didn't give you the answers! (wink) BAS MLH

Be good this summer and I'll see you next year!

Once there was a watermellon growen on a vine,
And there was a sick-a-ninny watchen it all the time
Well this pick-a-ninny took it and toled it away
and ate this entire mellon in one single day.
He ate the rinds + pieces and swallowed them with vim
But then this watermellon just upt and finished him

Good Luck

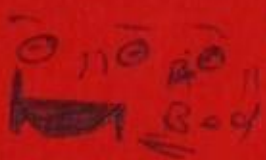
We also have to have our all nights blast 48 hours



Why dont you get a better job? Peddling papers is a pain. Maybe you have some customers that might have a store of some kind.

I still think we might spend some time at Franks pool 72°.

Our many diets have proved quite successful.

But I still think you will be 185 by the time your a Senior 5th Maybe huh?

On the next page you will find my watermelon poem which I think it is very good But I must conclud to say that your a good guy but the Indians are the best club in the AOL.

Parts:

Well another year has passed and we didn't have any fights, we have waded through thick and thin? together. We sure have had an epperience having Mr Weston as a teacher, I betcha he will really leave an impression on both our minds for many moons to come. Too bad we didn't have the same class together in English. Watta blast we could have had, he probly couldn't take it T.S. (any way you want to take it.) Boy I can't wait till schools over with. Watermellon, Watermellon and more Watermellon. Its really neat now that Wallis & Mavis are here. I'll just have to take all you youngens
